

Goddard Park

Community Primary School

Headteacher: Mike Welsh

Everybody learns, everybody cares

RE Policy

Adopted: November 2015

To be reviewed: November 2016

Introduction

Religious Education is unique in the school curriculum in that it is neither a core subject nor a foundation subject but the 1988 Education Act states that 'Religious Education has equal standing in relation to core subjects of the National Curriculum in that it is compulsory for all registered pupils'.

Religious Education is taught in our school because it makes:

"a major contribution to the education of children and young people. At its best, it is intellectually challenging and personally enriching. It helps young people develop beliefs and values, and promotes the virtues of respect and empathy, which are important in our diverse society. It fosters civilised debate and reasoned argument, and helps pupils to understand the place of religion and belief in the modern world". (RE: realising the potential, Ofsted 2013). Goddard Park Primary School is an Academy. We deliver RE in line with the Locally Agreed Swindon Syllabus and use the Discovery RE programme as our scheme of work.

This RE policy is informed by current national guidance:

RE in English Schools: Non-statutory guidance 2010
RE: realising the potential Ofsted 2013
A Curriculum Framework for RE in England, REC 2013

The aims of our RE, using the Discovery RE Scheme of Work

Discovery RE meets the requirements of our locally agreed syllabus and is aligned to the non- statutory guidance described above. By following Discovery RE at Goddard Park Primary School, we intend that Religious Education will:

- Adopt an enquiry- based approach as recommended by Ofsted, beginning with the children's own life experience before moving into learning about and from religion.
- Provoke challenging questions about the meaning and purpose of life, beliefs, the self, and issues of right and wrong, commitment and belonging. It develops pupils' knowledge and understanding of Christianity, other principal religions, and religious traditions that examine these questions, fostering personal reflection and spiritual development.
- Encourage pupils to explore their own beliefs (religious or non-religious), in the light of what they learn, as they examine issues of religious belief and faith and how these impact on personal, institutional and social ethics; and to express their responses.

Serving the Communities of Park North, Park South & Walcot East and twinned with the Desai Memorial Primary School, Nairobi

- Enable pupils to build their sense of identity and belonging, which helps them flourish within their communities and as citizens in a diverse society.
- Teach pupils to develop respect for others, including people with different faiths and beliefs, and helps to challenge prejudice.
- Prompt pupils to consider their responsibilities to themselves and to others, and to explore how they might contribute to their communities and to wider society. It encourages empathy, generosity and compassion.
- Develop a sense of awe, wonder and mystery.
- Nurture children's own spiritual development.

How is RE organised at Goddard Park Primary School?

Discovery RE brings together learning about and from religion, questioning and spiritual development in a comprehensive scheme of learning. Teaching strategies are varied and are mindful of preferred learning styles and the need for differentiation. Each enquiry starts from the children's own life experiences using these as a bridge into the investigation of the religion being studied. Learning is assessed and children have opportunity to express their own thoughts and beliefs and empathise with believers of that religion or belief position. Lessons are taught weekly each year groups.

Differentiation/SEN

Discovery RE is written as a universal core curriculum provision for all children. Inclusivity is part of its philosophy. Teachers will tailor each enquiry to meet the needs of the children in their classes. To support this differentiation, many enquiries suggest creative learning activities that allow children to choose the media with which they work and give them scope to work to their full potential. To further help teachers differentiate for children in KS1 and 2 classes with special educational needs, each enquiry has level exemplars for the full range likely for that age group, allowing children to evidence levels from L1 to L5.

Assessment

Teachers will ensure that children are making progress with their learning throughout their RE. Therefore, each enquiry has built-in assessment. This task is the formal opportunity for teacher assessment of the children's knowledge of that religion, depth of critical thinking, and ability to answer the enquiry question. This stand-alone evidence is used in conjunction with other evidence such as records of discussions and annotations from other lessons within the enquiry to assist the teacher in reaching a best-fit level. Each enquiry has assessment levels and exemplars based on the current nationally agreed levels.

Reporting to Parents/Carers

RE is reported to parents in an annual written report.

Monitoring and evaluation

The RE leader monitors delivery of the programme by discussion with teaching staff, as well as with children and scrutiny of their written work in the year book for each year group to ensure consistent and coherent curriculum provision. Evaluation of the programme's effectiveness is conducted on the basis of: Pupil and teacher evaluation of the content and learning processes

External contributors

RE gives particular opportunities to promote an ethos of respect for others, challenge stereotypes and build understanding of other cultures and beliefs. This contributes to promoting a positive and inclusive school ethos that champions democratic values and human rights. RE is an important subject in contribution to the schools development as a Rights Respecting School. External contributors from the

community, e.g. local clergy, local members/speakers from other religions etc make a valuable contribution to the RE programme as do visits to places of worship. Their input is carefully planned and monitored so as to fit into and complement the programme. Teachers are always present during these sessions and remain responsible for the effective delivery of the RE programme.

The Learning Environment

Establishing a safe, open and positive learning environment based on trusting relationships between all members of the class, adults and children alike, is vital. To enable this, it is important that respect for each others' views and beliefs and those of the believers of that religion is encouraged at all times and that any artefacts are handled with respect and care. The school believes that it is important to have the support of parents, carers and the wider community for the RE programme. Parents and carers are/will be given the opportunity to find out about and discuss RE through: Response to RE comments on reports, Displays, where RE is integrated- topic based homework as appropriate.

Withdrawal from RE lessons

Parents/carers have the right to withdraw their children from all or part of the Religious Education. Those parents/carers wishing to exercise this right are invited in to see the head teacher and/or RE Leader who will explore any concerns and discuss any impact that withdrawal may have on the child. The school will ensure that parents who want to withdraw their children from RE are aware of the RE syllabus and that it is relevant to all pupils, and respects their own personal beliefs. Parents will be made aware of the learning objectives and what is covered in the RE curriculum and should be given the opportunity to discuss this, if they wish. The use of the right to withdraw should be at the instigation of parents and it should be made clear whether it is from the whole of the subject or specific parts of it. No reasons need be given. Where parents have requested that their child is withdrawn, their right must be respected, and where RE is integrated in the curriculum, the school will need to discuss the arrangements with the parents or carers to explore how the child's withdrawal can be best accommodated. Once a child has been withdrawn they cannot take part in the RE programme until the request for withdrawal has been removed. As a school it is our duty to inform our local Standing Advisory Council on RE regarding the numbers of children being withdrawn.

Links to other policies and curriculum areas

We recognise the clear link between RE and the following policies and staff are aware of the need to refer to these policies when appropriate. Collective Worship where appropriate, Teaching and Learning Policy, Equal Opportunities Policy, Child Protection Policy and SMSC Policy.

Dissemination

This policy is available on our school website where it can be accessed by the community. Training is regularly delivered to staff on the policy content. Copies are available from the school office on request from parents/carers.

Policy Review This policy is reviewed annually.
