Number 1 January 2017

## Happy New Year to everyone!

And welcome to our first Weekly Bulletin, which we hope to use to provide a quick update on all the activities and special events happening at Goddard Park.

Please bear with us while we get used to this new way of communicating with you. The Bulletin will be issued weekly on our website and through Schoop, but paper copies will also be available at the school office.

Please let us know if there is anything you would like to see in the Bulletin and we will consider including it in future issues.

Mike Welsh, Headteacher

### Swimming for Year 3

Due to the pool closure at the end of last term, swimming for this **week** (Thursday 5<sup>th</sup> January) will be for the same children as last term. This is to allow time to complete the swimming assessments for the children.

### Values

Each new term the children across the whole school will be focussing on a 'Value' and considering how they can improve their life and those of others around them by living by these values.

This term the value being explored is 'Appreciation' and there will be lots of activities in class that will allow the children to reflect on all the wonderful things they have in their life to appreciate.

Next term's Value will be 'Responsibility'

Other Values will be:

Respect  
Tolerance  
Thoughtfulness  
Friendship  
Love  
Courage

### Star of the Week

Coming Soon! – Check back next week to see who has been a super star this week!

### Reception After-school Clubs

Letters will be coming out shortly for the after-school clubs in Reception that will be starting this term. The clubs include:

Ipad Club, Cookery Club and Spanish Club.

Places are limited so please return the reply slip on the club letter as soon as possible. If your child is not successful in getting a place this term, they will have an opportunity later in the year.

### Elephants Pre-school

We have a few spaces left in our Elephants Nursery sessions for children aged 3 and 4. The sessions are fully funded by the government and provide an excellent way for children to start developing their social and educational skills. Please contact Lisa Skene on 01793 342345 for further information

### WOW!

Congratulations to Mrs Murray and Sirrelle who have both recently had babies. We can't wait to meet the two new additions to the Goddard Park family

### Pizza and Popcorn

Year 1 are having a popcorn and Pizza party next Thursday after school.
