New Goddard Park Website!

Dear Parents,

Goddard Park has a new website and we will be developing it over the next few weeks and months. Hopefully, between the website and the weekly bulletin, you will feel well-informed about your child's School. We will be showcasing the excellent work our children produce on a regular basis. Please let us know what you think and whether we could provide parents with any further information which would be of use.

Mike Welsh.
Headteacher.

School Uniform – Online Shop

We have now changed our School uniform provider to enable parents to order online via **Tesco Direct Embroidered Uniforms**. The website is now live for you to order your child's items. Simply log on to www.clothingattesco.com

Online orders may take up to 14 days to be delivered, 28 days during busy periods, so please ensure you place your order in plenty of time for September 2017.

We still have items of Goddard Park uniform in School and will continue to sell this on a 'first come, first served' basis until we no longer have stock available.

The design of the uniform will remain the same, including the Goddard Park logo.

'Open Afternoon'

On Tuesday 11th July we are holding an 'Open Afternoon' 3.15 – 5pm. All children and parents are invited into School to wander around the classrooms to view the work on display. You will be able to collect your child's School report from the class teacher and also be informed who your child's teacher will be in September.

Please note that parents collecting children from Reception classes at 3pm. will not be allowed access to the rest of the building until the end of the School day at 3.15pm. Parents should access the building via the doors from the main playground.

Thank you for your co-operation in this matter and we look forward to seeing you there.

Information for parents/carers of children who may use Snapchat.

There has been a new update to Snapchat in which friends can now see your location on the 'Snap Map'. To disable this you will need to:

Go to the Snap Map homepage and in the top right hand corner you will see a cog or the usual setting symbol, to change your location sharing setting you can click on this.

Then switch on Ghost Mode, this means that no one apart from you will see your location.
