

Starting School

Dear Parents,

After successful induction sessions here are the details for your child starting School in September.

As explained to you during the induction sessions, we will gradually introduce your child to School life to enable them to settle in well. Please note that School is closed for Teacher Development on Friday 1st and Monday 4th September.

Please ensure your child attends the following sessions:

1st week - Tuesday 5th September. You and your child are invited to attend a 'Meet The Teacher' session 9.30 - 11am. This is a wonderful opportunity which will ease your child into those first important days at School, so we would love to see you all. Please note this is a family session so if you are unable to attend your child will not be able to stay on their own.

Wednesday 6th - Friday 8th September 8.30 - 11.30am.

2nd week - Monday 11th to Friday 15th September (incl.) 8.30am. - 11.30am.

3rd week - Monday 18th - all children full-time 8.30am - 3pm. (Monday - Thursday) 8.30am - 1.15pm. (Friday).

All children will be provided with a School dinner when they are full-time therefore children should not bring a packed lunch to School. Please bring your child to the Reception playground, off Cowley Walk, where the Staff will meet you each day.

Yours sincerely,

Mrs V. Welsh.
Reception Co-ordinator.
