

Clicker Training Club

Dear Parents,

I will be starting 'Clicker Club' training, with Quattro the School Dog, on Thursday 14th September. The club will run every Thursday 3.15 - 4.15pm. up until the October half term break. The children who attend the club will graduate at the end of the sessions and become School Dog Ambassadors.

Places are very limited, only eight available. If your child is lucky enough to gain a place they will be working with Quattro, learning basic dog training skills using a 'clicker' and will need to bring £1 with them to buy a 'clicker'.

If your child would like to attend the 'Clicker Training Club' please complete the slip below and return to Mrs Rogers as soon as possible. **You will be notified if your child gains a place.** Children attending should be collected from the School office at 4pm. prompt.

Yours sincerely,

Mrs Rogers-Smy.

My child would like to attend 'Clicker Training Club' starting on Thursday 14th September.

I understand I will be notified if my child gains a place.

Signed Parent/Guardian.
