

'Gardening Club'

Dear Parents,

Your childhas
been invited to attend 'Gardening Club' every Monday
afternoon during School time.

'Gardening Club' is hands on learning in an inspirational environment,
helping children to develop their personal skills and confidence whilst
having fun and following the National Curriculum, growing various
vegetables and other garden plants.

Children who take part will need to wear suitable clothing,
waterproof coat, wellies etc., they will be going outside whatever the
weather. Please ensure your child's clothing is clearly labelled.

We are looking forward to having lots of fun!

Yours sincerely,

Mrs A. Webb.
